KEY QUESTION

HOW TO OPTIMIZE REVENUE AND PROFIT FOR 2020?

SITUATION

Revenue and transaction volume tend to increase in the last two months of the year.

Profit drop sharply in December.

Office has the highest sales volume, but does not bring high revenue.

REASON

- **Selling many high-revenue products.**
- **Marketing expenses increase sharply.**

- **Due to excessive marketing costs.**
- **Apply many deep discount codes**

- **Office's AOV is low.**
- **Too dependent on discount codes.**

RECOMMENDATIONS & CONCLUSION

MARKETING

Implement cost effective marketing campaigns tailored to specific times.

CROSS-SELL

Apply cross-selling for popular products that do not yield high value.

HIGH-VALUE CATEGORY

Promote high-value categories such as Nest-USA, Apparel, and Nest especially during peak months.

DISCOUNT COUPON

Limit the usage of large discount codes and use appropriate discount codes.
